BAMBOO DOORS

Quality solid bamboo doors offer a unique and environmentally responsible solution to any custom kitchen. Shown here as a Shaker 52 door with a 1/4" centre panel.

APPLIED MOULDINGS

ANDEX'S selection of applied mouldings can help add that extra detail to your doors. Applied mouldings 105, 106 and 109 are glued to the centre panel. Centre F1 or F5 must be ordered. Inside frame option 52 is required for 101, 105, 106 and 109 applied moulding options.

Example Door

Made with 3 3/8" Stiles and Rails with Frame #52, Centre panel "C", extended cutter with applied moulding #101.

Note that centre panel is floating not glued to moulding.

Applied Mouldings #105, #106 and #109 are glued to the centre panels. You must order F1 or F5 plywood centre panel

#100
